

SPORTYFAI | AI eFOOTBALL

SportyAI revolutionizes eFootball with AI-driven simulated reality leagues, offering a cutting-edge betting experience that stands out in the realm of sports entertainment. By harnessing advanced machine learning technologies, this solution crafts highly realistic simulations of football matches. Unique to SportyAI is the complete elimination of the human factor from the game simulation process, ensuring that outcomes are determined purely by algorithms and data analysis.

GAME ENVIRONMENT: FIFA 23, Kick Off mode, Legendary difficulty level.

2 TOURNAMENT FORMATS

- **Leagues:** Operate on a double round-robin system, where each team plays against every other team twice, once at home and once away, across 30 rounds. The tournaments span 6 days, with 5 rounds played each day.
- **Cups:** Begin with a group stage followed by playoffs, involving 16 teams divided into 4 groups through a random selection process.
